2024 - 2025 Term PARKING POLICIES AND PROCEDURES

Passes remain the property of CHS are non-refundable / non-transferable - they may not be used by anyone other than the assigned student.

The following policies exist to help us ensure the safest and most effective use of our limited parking facilities.

Students are expected to remain in good standing with attendance and discipline to be able to continue campus parking privileges. Follow the student code of conduct and truancy rules to remain in good standing.

Please read all of the following very carefully:

- **Academic Requirement:** An **Unweighted GPA of 2.0 or higher EACH nine-week grading period is required to retain campus parking**. Should a student become ineligible for campus parking due to grades or attendance failure for the previous nine-week grading period (reviewed each report card by Dean's Office), the parking pass will be immediately revoked and deemed invalid. Once grades meet the standard on the next nine-week report card, the student can reapply for a new spot.
- **Display of Permit:** The issued parking pass placard must be **fully and clearly visible** on rearview mirror at all times while parked on campus. **Do not obstruct pass** with hanging air fresheners, etc. Any vehicle **not** displaying a valid permit is considered illegally parked and is subject to \$40 fine/booting. Park only in your assigned number spot printed on the placard. *Replacing a lost or damaged parking placard is \$5.00.*
- **Vehicle Information:** The car information which you provided and the assigned parking spot number are linked and therefore must match office records **at all times** to avoid any unknown or illegally parked cars on campus. If there is a vehicle change from what you listed on the first page of this application, you must provide a copy of the new/updated registration (notate parking space number on it) at the time of the change to the Student Affairs office or email it to: LCHSParking@leonschools.net
- **Car / Parking Lot Access:** The parking area is off limits to all students during the school day for safety reasons. Do not use your car as a locker or ask to retrieve forgotten items from it. Do not sit in it during class time or lunch. Students entering the parking lot without an exit pass will be considered skipping. Vehicles parked on campus are subject to search under reasonable suspicion by school board employees or law enforcement.
- **Vapes, Drugs or Alcohol:** Out of School Suspensions (OSS) due to Vapes/Drugs/Alcohol, either on campus OR at a school-sponsored event, will result in the immediate revocation of the campus parking permit for the remainder of the school year.
- **Accident or Damage:** Report these incidents immediately to our School Resource Deputy. **Never leave the scene of an accident** as this is a violation of the law. The Leon County School system is not responsible for damages to vehicles parked/operated on school property.
- **Vehicle Operation:** I understand the speed limit on campus inside the gates is 10 MPH and 15 MPH on the front Service Road. No loud mufflers, music or air-horns. You are expected to follow all Florida traffic laws inside the parking lots and school zones.
- I understand that if someone is parked in my spot, I am to park in the front drop off circle and come inside to notify Student Affairs, who will then direct me where to park while Admin investigates the violation.

Consequences for parking violations may include but are not limited to:

* Revocation or Suspension of Parking Privileges * Referral / Saturday School * Vehicle Immobilization (Boot) AND \$40 Fine/Obligation

Student Acknowledgment of Parking Agreement 2024-2025 term

By signing, I have read and fully accept responsibility of and for all the policies regarding parking privileges at Chiles High School as a student and as a licensed driver.
