![eDynamicLearning — CAREER & ELECTIVE COURSES]

Leon County Schools
Science Adoption

eDynamic Learning Course
- **Anatomy and Physiology 1a/1b**
- **Forensic Science 1**

Vendor Cost Proposal
Courses are all inclusive. A student license includes student access, teacher access, and teacher resources. Cost is per student per course.
Pricing is as follows:

Item	Cost
One Year Online Student License	$60/student/year/course
Five Year Online Student License	$180/student/course

Courses fully integrate into Canvas, Blackboard, D2L, Schoology, AgilixBuzz, and Moodle

Onboarding and Support
Onboarding is provided at no cost to the district. The service support team delivers virtual, 1-hour meetings, providing tools and essential information necessary to get started. During this time, we provide a walk-through of enrollment, course set up, and basic teacher features. eDynamic Learning guides district participants through this process to ensure accessibility and practice for teachers and administrators. At any point during the license implementation, teachers and administrators have access to eDynamic Learning's national support team via email or the Support web page.

Professional Development
eDynamic highly recommends scheduling professional development training to support teachers in the successful implementation of eDynamic Learning courses. Professional development can be onsite or virtual/online.

Item	Description	Cost
Onsite Professional Development	Onsite Workshops - full day Max 25 attendees	$3000/event
Onsite Professional Development	Onsite Workshops - half day Max 25 attendees	$2000/event
