PK lunch pick-ups 11:40 Linden; 12:06 Powell; 12:09 Whitaker; 12:12 Heyer; 12:15 Cox

- We will continue to have two hot lunch lines being used simultaneously. Students buying their lunch will need to get their food first, and then go to the cashier for payment.
- Tables are arranged in 7 rows.

SIDE A tables

- Please enter in the interior cafeteria door at the EDEP office. Walk your line by the stage, turn left and walk down the east wall into the hot food line (HOT lunch A). Students will then walk down the middle aisle and sit at their designated table. They will need to fill in every seat as they come in, do not skip seats.
- Upon being dismissed, students will throw their trash away and line up (with the exception of kindergarten-the trash cans will be rolled to their tables). Teachers will come to the table to

pick up their students. These classes will exit through the same door they entered (by EDEP office).

SIDE B tables

- Please enter on the west side of the building to the interior of the campus by the teacher's lounge. Walk your line to the HOT lunch B entrance. Students will then walk down the middle aisle and sit at their designated table. They will need to fill in every seat as they come in, do not skip seats.
- Upon being dismissed, students will throw their trash away and line up (with the exception of kindergarten-the trash cans will be rolled to their tables). Teachers will come to the table to pick up their students. These classes will exit through the same door they entered.

Table routines

- Green cup – they have had no warnings, they get a yellow jacket, Yellow cup = they had a warning, they corrected the behavior, they receive a yellow jacket, Red cup = they had two warnings; they finished lunch with no talking and no yellow jacket. At the end of the month, the classrooms at each grade level with the most yellow jackets earn a freeze pop. There can be more than one winner.
