

Advanced Math Mini Mu

Sponsored by Montford and Cobb Middle Schools.

Dear Math Teachers and Principals,

Your school is invited to attend the Montford/Cobb 6th Grade Mini Mu Math Competition on **Saturday, October 22nd 2016**. Sixth and seventh grade students are invited to participate. This year's contest will be held at **Montford Middle School**.

There will be two rounds of testing. All students will take the same test. Each round will consist of 25 multiple-choice questions. No calculators are allowed. Answer sheets will be provided. **There is a \$10 registration fee** for each student.

Scoring:

Five points will be awarded for every correct answer
One point will be awarded for every question left unanswered
Zero points will be awarded for each incorrect answer

We will attempt to make the test questions challenging but reasonable.

Awards:

This is a "friendly" contest. You will receive results for everyone but may award trophies to your own students. Trophies will be given to each school that participates to award to their high scoring students. Two trophies will be available for each ten students who are registered from each school.

Tentative Schedule of Events:

8:45 - 9:15	Arrival, Check-In
9:30 - 10:30	Round 1 Test
10:30 - 10:50	Break
10:50 - 11:55	Round 2 Test
11:55 - 12:15	Break
12:15 - 12:45	Awards

We will not be serving lunch. Snacks will be provided. We hope to have a visit from a "Snow-Cone Truck".

If you need any further information, please contact either Bob Coleman (colemanb@leonschools.net) or Cyndi Osborne (osbornec@leonschools.net).

Please e-mail your name list to:

Bob Coleman
No later than
Wednesday, October
14th.

We will take care of the testing forms

Each school will need to send a list of the students participating no later than Wednesday October 15th. Please e-mail your list to Bob Coleman (colemanb@leonschools.net). Word or Excel files are preferred.

Frequently Asked Questions

Does my school have to have a certain number of students to participate in the Mini-Mu?

- No, there is no minimum number of students required. Each school does need at least five registered students in order to receive trophies.

Is there a limit to the number of students my school can bring to the Mini-Mu?

- No, you may bring as many students as you would like.

Can my school send students who are not taking 6th or 7th grade math?

- No.

Can students who are not from my school join our group?

- No.

Can parents register their child separate from our school group?

- No. Each student must be registered by their school in order to participate.

Are parents required to stay for the entire contest?

- No. We would like at least one sponsor from each school to be on campus.

I already sent in my registration. Can I add students?

- Yes. You may add students as late as Saturday morning but this may cause seating issues since your group has been assigned a certain number of seats. Also, adding students is fine but you may not substitute students. If John Smith has decided not to come but Mary Jones is coming then we will be glad to arrange for Mary to participate but that will require that the \$10.00 registration for Mary be paid.

Dates to remember:

By October 4th: We would appreciate an e-mail letting us know if your school plans to participate. The registration form is not required.

October 14th ... A list of your participants is due to Bob Coleman. (Word or Excel preferred but e-mail is OK). Please include grade level.

October 22nd ... Mini-Mu Contest.

Montford/Cobb Advanced Math Mini Mu

Dear Parent,

Your child is invited to participate in the 2016 Montford/Cobb Advanced Math Mini Mu. This Mini Mu is a math contest sponsored by Montford Middle School and Cobb Middle School for 6th and 7th grade students. Each student will take two rounds of math tests. Awards will be presented to the top students from each school.

This Mini Mu will be held Saturday, **October 22nd** at **Montford Middle School** from **8:45-12:45**.

The registration fee is **\$10**.

Make checks payable to _____.
All registrations must come from the School.

If you have questions, contact your child's math teacher or the Mini-Mu sponsor at your child's school.

My son/daughter has permission to attend the Montford/Cobb Mini Mu on October 22, 2016. I will make arrangements for transportation to and from Montford Middle School.
