Florida's 2016-2017 ESE Parent Survey

February 1 – May 31

**We need your help to make Florida's 2016-2017 ESE
Parent Survey a record success**

Each year, the Florida Department of Education (FDOE) surveys parents of children with an individual educational plan (IEP) to determine how well your child's school is partnering with you and promoting your involvement in your child's education. All states must collect this data as part of their State Performance Plan, as required under the Individuals with Disabilities Education Act (IDEA).

**Make your voice
heard!**

- The web-based survey will open **February 1, 2017**.
- A paper survey will be sent home with your child or you can complete the survey online at <http://www.esesurvey.com>

Your feedback is important in helping the state and local school systems continue improving educational programs for children with special needs.
Thank you!
