

## Drug and Alcohol Abuse Prevention Program (DAAPP)

### Comment Form

Lively Technical Center is deeply interested in whether the intervention is effective. Support for the intervention often hinges on gathering and reporting this information. Your Feedback helps improve the intervention, or transfer resources to an alternative strategy for good reasons.

A flyer will be available for all students in August and January to review and comment. Your Student Services Department will have a comment box for students to place all comments.

Date (mm/dd/yyyy): \_\_\_\_\_

Name: \_\_\_\_\_

Please check one:         Student                       Teacher/Staff

Please write your comment(s) for DAAPP below (850 Chars Max):
