RE: 2013-2014 School Public Accountability Report: Gilchrist Elementary

Dear Parents,

Our School Public Accountability Report (SPAR) for the 2013-2014 school year is available via our school's website: <http://www.gilchrist.leon.k12.fl.us> or the Florida Department of Education website: <http://doeweb-prd.doe.state.fl.us/eds/nclbspar/>.

This report provides a summary of important information about Gilchrist. The data listed in the report provides us with the opportunity to reflect upon our current School Improvement Plan which includes goals and objectives set for 2014-2015.

The combined efforts of our students, parents, faculty, staff and others associated with Gilchrist yielded great success! Gilchrist earned a school grade of an "A" rating by the State of Florida for the fifteenth year in a row. Additionally, we made Adequate Yearly Progress as determined by the No Child Left Behind federal legislation.

At Gilchrist Elementary, we provide research-based curriculum tailored to the needs of our students. It is also our goal to strive to maintain a safe, positive environment with strong lines of communication between home and school.

We invite you to become involved in our active Gilchrist family through PTO, SAC and other volunteer opportunities. With all of us working together and utilizing our individual talents, we can continue to create the best learning environment for the students.

Sincerely,

Mr. David Solz
