

6th Grade Magnet

2025-2026 COURSE REQUEST FORM

REQUIRED COURSES: Each student is required to take Language Arts, Mathematics, Science, and Social Studies. Placement in academic classes and intensive reading will be based on the latest FAST scores and academic grades. Any required courses may also be assigned based on a student's IEP eligibility and enrollment in the Exceptional Student Education program.

ELECTIVE COURSES: Intensive courses may replace elective courses. Students that earn a Level 1 on the recent FAST Reading may be scheduled for Intensive Reading in lieu of selected elective course(s) as determined by administration. All elective classes are yearlong classes. Additional Information about elective courses can be found by scanning the QR Code below.

CURRICULUM NIGHT: We are hosting an in-person curriculum night for our incoming 6th graders April 15th from 6-7pm. During this time, we will review how to complete the course request form, answer questions, have some of our 6th grade teachers available to meet and greet as well as offer a limited tour of Fairview. Please make plans to attend!

PHYSICAL EDUCATION REQUIREMENT: Per *Florida Statute 1003.455 Physical education; assessment*, the equivalent of one class period per day of physical education for one semester of each year is required for grades 6-8. The requirement will be waived for the following reasons: if a student is required to enroll in a remedial class; if a parent indicates (THROUGH SELECTION OF OTHER ELECTIVE COURSES) that the student will be enrolled in another course; if the parent puts in writing that the student is participating in physical activity outside the school day which is equivalent to or in excess of the mandated requirement of one period. When a parent chooses electives other than physical education, the physical education requirement is to be waived. **Your signature on the course request form acknowledges that you have read the statement above and that you understand the options available for non-participation in the school's physical education program. By selecting two electives other than PE, this form is considered as your PE waiver.**
