1) Copy Agenda
2) Sage N Scribe activity continued today
3) Any & ALL work due Wed, 5/22
   Module vocabulary due as well...

Happy Tuesday
05/21/19
Sage N Scribe Activity today:

- sage is wise one
- scribe is write one
- one at a time
- take turns...sage only speaks, scribe only writes...
- person with new birthday goes first as scribe.
- remember to praise
- okay to correct but be KIND
- no blind following...
1. \( x + 3(x + 4) = 20 \)
   
   \[
   \begin{align*}
   x + 3x + 12 &= 20 \\
   4x + 12 &= 20 \\
   4x &= 8 \\
   x &= 2
   \end{align*}
   \]

   **Check:**
   
   \[
   \begin{align*}
   6(5 - 1) + 8 &= 32 \\
   24 + 8 &= 32 \\
   32 &= 32 \checkmark
   \end{align*}
   \]

2. \( 6(y + 1) + 8 = 32 \)
   
   \[
   \begin{align*}
   6y + 6 + 8 &= 32 \\
   6y + 2 &= 32 \\
   6y &= 30 \\
   y &= 5
   \end{align*}
   \]

   **Check:**
   
   \[
   \begin{align*}
   6(5 - 1) + 8 &= 32 \\
   24 + 8 &= 32 \\
   32 &= 32 \checkmark
   \end{align*}
   \]
\[ 7 + 4(d + 3) = 23 \]

\[ 7 + 4d + 12 = 23 \]

\[ 7 = 4d + 23 \]

\[ 19 - 4d = 23 \]

\[ -4d = 4 \]

\[ d = -1 \]
