

HOMEWORK EXPECTATIONS

- Homework will be assigned as needed. Unfinished class work is also considered homework and is due the next class period unless otherwise stated.
- Students should review their vocab and notes daily.
- Late work is accepted for two weeks after the due date for a maximum grade of 70%. After two weeks, a 0 is entered.
- Students are responsible for work they miss when they are absent. All assignments will be posted in Canvas.
- If a student earns less than a 60% on a test, they may request a test correction assignment for a maximum grade of 70% within one week of the day tests are entered into the FOCUS grade book.

LAB FEE \$

Science requires the use of significant lab supplies and consumable products. **We are requesting a one-time \$10.00 lab fee donation that will cover the cost of the lab supplies used this year by your child.**

The lab fees donated will enable us to increase the number of science labs presented and to more fully incorporate a truly “hands-on” science program.

7TH GRADE SCIENCE SYLLABUS 2022-2023

Mr. Jeffrey Velez

CONTACT

Parents, District email is the way to contact me velezj@leonschools.net

Students will also use District email to contact me. (Do NOT use CANVAS)

Study Morning: Students may get a signed hall pass and come to my room on Thursday mornings 8:45 for extra help.

SCIENCE CLASS EXPECTATIONS

- **Respect** yourself, your teacher, your classmates, and your materials
- **Listen** when your teacher or classmates are talking
- **Collaborate** – work as a team, the more you participate, the more fun you'll have!
- **Believe** you can - never give up! Mistakes are proof that you are trying and your hard work will pay off! I can't promise this will be easy, but it will be WORTH IT!
- Be **prepared** - come prepared for class with water and restroom needs handled, work completed, and all needed supplies present.
- Basic **rules** such as raising your hand for permission to get out of your seat or ask a question still apply. Science lab rules/ procedures will be discussed and have a separate set of guidelines.

Class Dojo / Mighty Mustang Award

- Positive behavior will be rewarded with mighty mustang points given through CLASS DOJO.
- Points categories will include (Being on task, class participation, teamwork, helping others, and persistence)
- Students can cash in their points during a school wide “treat trolley day”

Thank you parents

- With your help, I know we can make this a successful year for your child. Please do not hesitate to email me with any questions or concerns. A copy of this document will be on the school's website as well as the student's CANVAS page

Thank you,

Jeffrey Velez
