Dear Parent(s),

September, 2025

I am thrilled to have your child participating in the Deerlake Fishing and Conservation Club (DFAC) program this school year. As a part of this program, we are requesting that parents pay a student fee in the amount of \$75.00 dollars. I look forward to working with your child and to sharing a successful year/season.

This fee will cover the following costs for your child's program necessities and activities:

1. DFAC hat
2. Fishing Supplies (bait, tackle, etc)
3. Field Trip expenses (transportation, sunscreen, insect repellent, etc)

To make things easier and safer, we are encouraging all families to submit payments online through eFunds for Schools. This supports our District's initiative to reduce the handling of cash and checks on campus. **Pay online at:**

<https://payments.efundsforschools.com/v3/districts/56392>

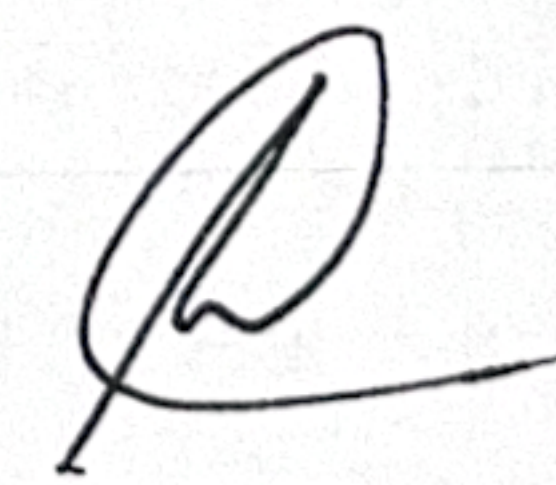

Please use the ACH (bank account) option when possible to reduce processing fees. All convenience fees are collected by eFunds for Schools and do not go to Deerlake Middle School or Leon County Schools. If you are unable to pay online and need to send a check, please make it payable to Deerlake Middle School and include your child's name and class/program in the memo line. Any remaining funds at the end of the school year will be used for consumable supplies that directly benefit students in the program. If you have any questions or are unable to contribute the fee, please don't hesitate to reach out to me directly.

We're looking forward to a fantastic year in DFAC!

Sincerely,

Sponsor – Matt Smith
