Digital Media Foundations 2

82012200
Mrs. Christie
Room 2215
Chiles HS

Course Description and Objectives:

This course covers advanced design and illustration software, color modes, fonts, presentation production, intermediate computer skills, illusion software, digital still photography, videography, video editing, and photo editing software. Students will also prepare for and take two certification exams: Premiere Pro and Photoshop.

After successfully completing this course, the student will:

1. Demonstrate intermediate computer knowledge.
2. Demonstrate proficiency in advanced design.
3. Demonstrate understanding of color modes.
4. Demonstrate proficiency using video editing software and equipment.
5. Demonstrate proficiency in using illustration software.
6. Demonstrate knowledge of design layout software.
7. Demonstrate knowledge of output and exporting functions.
8. Demonstrate basic knowledge of keyframe based animation techniques.

Required Supplies:
1. Mead or similar STRONG PLASTIC Pocket Folder with Metal Prongs
2. Notebook paper
3. No. 2 Pencils
4. Wired Earbuds (OR I have a class set of headphones)
5. FlashDrive (OneDrive is NOT a viable option when working with VIDEOS)

Sample Projects:
Students in Multimedia Foundations II will produce the following: Virtual Tour, Interview, Public Service Announcement, Promotional Video, News brief, Weather ENG, Music Video, Animated Storybook and various other projects. Projects are subject to change.

Grading Procedures: We will utilize a point-based grading system.

WP
Classwork
GMETRIX
Projects

Students will be given Weekend Prompts to enhance creativity.

There are several classwork assignments that support each project.

Online tutorials will be assigned to support class instruction.

We create 4-8 projects each 9 weeks. The most amount of points to earn.

Classroom Expectations

- **Attendance:** Regular attendance is crucial for success in this practical course. Please be on time.

- **Participation:** Active participation in class discussions and group work is expected.

- **Deadlines:** Assignments must be submitted on time. Late submissions will incur a penalty.

- **Plagiarism:** Claiming work that is not yours or cheating will result in a "0" on the assignment and a referral.

- **Safety:** Follow all safety procedures when using equipment. Food (candy, snacks or gum) are not allowed in my room. Only bottles that can close. We want to treat our computers with care.

- **Restroom Visits:** You may use the restroom during class, but only 1 person may leave at a time. Please sign out on the sheet next to the door.

- **Respect:** Show respect to classmates, teachers, and equipment at all times. Please remove hats while indoors. Do NOT wear earbuds in your ears while I am teaching.

Cell Phone Policy

- Upon entering the classroom, please ensure all cell phones are set to silent mode and stored securely in your backpack.

- Recording video or taking photos during instruction is strictly prohibited without prior consent from the teacher. (This includes sharing or posting any recorded content via messaging platforms or online.)

- Cell phones may only be used for class-related learning activities explicitly approved by the teacher.

- On designated days when cell phone use is permitted for learning, phones must remain on silent mode.

- Should a cell phone cause a distraction:
    First offense: Verbal warning
    Second offense: Lunch detention
    Third offense: Referral to administration
