

## Guidelines for Weekly Assignment

1.) Four days worth of songs will be sent to you via email (student email). If you do not receive this email you can go to the Leon website and click the “Online Coursework Packets” link-> then click the Fine Arts link-> then click Steelband.

2.) You will listen to two songs a day (Monday through Thursday). After listening to these songs, you will write down an analysis of the song. This will be very similar to when we analyzed Panorama bands. Write down your own thoughts, differences between songs, questions, etc. Each song should have a minimum of 5-7 sentences.

3.) Each week’s due date will be before midnight of each Friday. You will email me your write-up to [fassigs@leonschools.net](mailto:fassigs@leonschools.net) Please put your name, teacher name (Mr. Fassig), and class period on your assignment.
