

# Health and Physical Education Infield Status Rubric

Use this form to apply for Infield Status in Health or Physical Education.

The teacher applying for Infield Status must hold a valid Florida Temporary or Professional Certification in another subject area. The teacher applying must be teaching in the subject area this school year and be out-of-field (OOF) for that subject area. To earn Infield Status for the selected subject area – the applicant must earn a minimum of 100 points using the rubric. **Note: This form does not add a subject area to your current certification – it only grants you infield status while working in Leon County Schools.**
