

About INTERNET FOR ALL

INTERNET FOR ALL is an initiative that will allow the Foundation for Leon Schools to assist students who do not have home internet access. Depending upon the availability at the student's home address, they will receive free internet service via the Xfinity Internet Essentials program or an AT&T MIFI Hot Spot. THERE IS NO COST TO THE STUDENT AND/OR THE FAMILY.

Internet Essentials Highlights

- Now twice as fast! Up to 50/5 Mbps
- Good for working and learning from home

AT&T MIFI Hot Spot

- Moxee hotspots
- Unlimited data plan
- Built-in Enterprise Traffic Protector (ETP) content filtering
