## A NOTE FROM THE TEACHER 9/4

Welcome to 2nd Grade Digital Academy! Thank you for all your help this week. This is a new way of work for all of us and I appreciate your patience and support as we get things going. We will begin small groups next week and I'm looking forward to working with the students in smaller groups. I have assigned everyone to a small group where I will provide support, instruction and answer questions depending on the needs of the group. Each student will need to continue to attend the morning meeting and the small group they are assigned to. I'm looking forward to a great year in Digital Academy.
