– Instructions –

Step 1: Choose a novel from the above list that corresponds to your grade level. You can rent a copy from your local library or purchase from a bookstore/online store.

Step 2: Keep a journal where you will at least make 10 entries during the summer. Indicate what your reading source is and who the author is. If you read multiple sources, make sure you write where your entry is coming from each time.

Step 3: Turn your entries in to your teacher by August 29th for credit.

That’s all you have to do! Enjoy whatever you decide to read this summer!
