Treasurer's Report – Carol Seagle- Still doing well, total income is just under \$70k, expenses around \$56k. Graduation expenses still coming in, so they will be very close. Trying to get Swag order in early because of the cost of goods going up.

1st- Jamie Franz

2nd- Chelsea Williams

Principal's Report – Mrs. Martin- Very busy, testing finishes tomorrow with 5th grade science. Scores are looking pretty good, making plans for next year, how to pull scores up even more. SAC Committee decided to meet one time this summer to write the School Improvement Plan using data from test scores. The school has invested in a program called Beanstack, working to get it in this summer. Sometimes AR doesn't encourage reading, students are reading only to do the tests. You are able to scan the book and time themselves on reading, they earn badges based on amount of minutes read. Working to build more love of reading. Star testing will still be used for progress monitoring, just won't be tied to goals on AR. There will be a tile on their class link.

Lanyards- very expensive to get started, so they aren't able to get a new one every year. Buttons will be re-used next year. Lanyards will be cleaned and given to the student's teacher next year.

- **Box Tops** – Chelsea Moas (chelseatmoas@gmail.com)- \$1400 raised this year.
- **Flight Fest Recap** – Alexa Bayer, Stephanie Humphrey, Amie- First year doing Silent Auction online, we were happy with it, only had about 60 days to pull this together once there was a chair, so next year will be even better. 123 items were auctioned off. After expenses, raised just over \$15k. 142 people registered. There

were a few monetary donations. Highest sold item was 2 of the parking spots \$875 each. Items with most clicks Hangar 38 and the catering package. Carnival was a great time, about 700-800 people. There were some notes on how to make it better next year. This is a give back event, it ends up breaking even.

- **First Friday Friendship Lunches** – Margo Hirons (hirons.margo@gmail.com)-Chair position open next year! In the past, Individual bags were great but time consuming, maybe we can do it just for K-1 grades. Dietary restrictions need to be taken in to account. Knowing way ahead of time helps!
- **Little Hawk Day** – Andrea Fryk (andrea Fryk@gmail.com) July 29 5:30-7, maybe we can do water play
- **School Supplies** – Cheron Davis (drcheronhunter@yahoo.com)
- **Teacher Appreciation** – Molly Grant (mollyrosegrant@gmail.com) Teacher appreciation week was great! Can't guarantee 2 gifts every year but doing it this year was nice.
- **5th Grade Graduation** – Katie Newman (tenniskatie@gmail.com) Crunch time but everything is going well. It will be a nice event and they will enjoy the glow party and the things we have planned.
