PTO Membership Form 2023-2024

Welcome to the Oak Ridge Elementary School Parent/Teacher Organization (PTO). Becoming a member of the PTO will provide an opportunity to partner with your child's elementary school experience and help maintain an enriching environment for all students. We all make a difference, no matter how big or small our roles may be (even if you assist with just one event, we will be grateful). Our membership volunteers are provided plenty of opportunities for getting involved, and there is no obligation to attend monthly meetings.

You will be notified of our activities and invited to participate in making decisions for our school with your membership. We look forward to your involvement.

You can join by returning your form to the school with your student, scan and email to muhammada@leonschools.net, or mail to 4530 Shelfer Road, Tallahassee, FL 32305.
