Parent Portal iPhone Instructions:
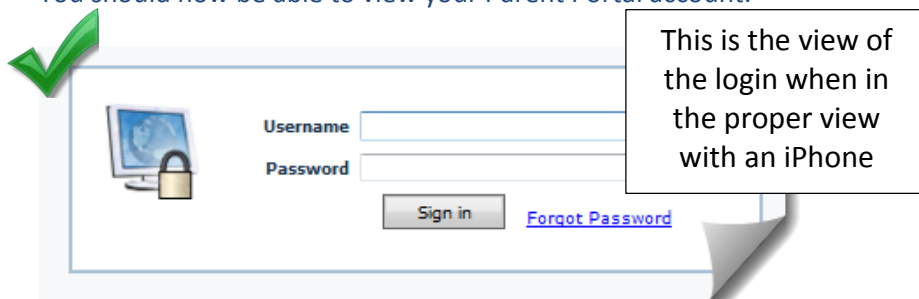

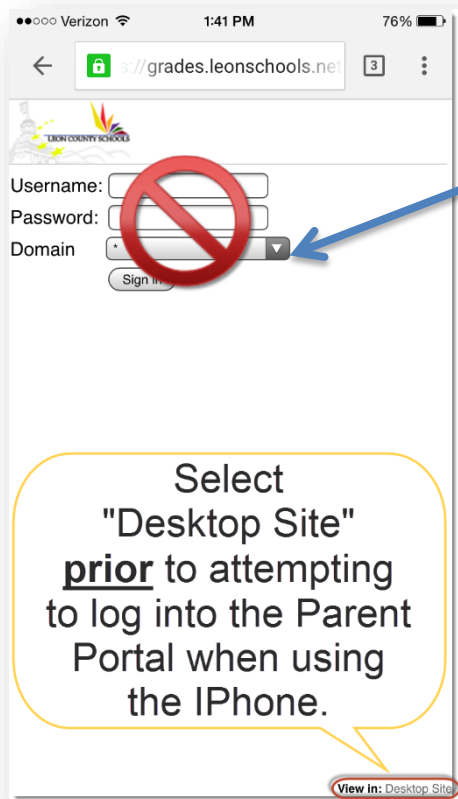

iPhone users will not be able to correctly login to the Parent Portal unless the proper procedures are used.

1) Open the Parent Portal Support Page (http://www.leonschools.net/parentportal
2) Click the Login Box on the right sire
3) The login will open @ https://grades.leonschools.net/
4) Once the sign-in screen is loaded (left), **_DO NOT LOGIN._** You need to switch your viewing to **Desktop Site mode** first.
5) Once in **Desktop Site mode** , type in your username and password.
6) You should now be able to view your Parent Portal account.

This is the view of the login when in the proper view with an iPhone

Select "Desktop Site" **_prior_** to attempting to log into the Parent Portal when using the IPhone.

Note: You may need to turn the screen to landscape mode (sideways). If the view mode is still off the screen, drag the right hand lower corner over to select the function "**View in:** Desktop Site"
