Program Description
Becoming a Licensed Practical Nurse (LPN) is the quickest way to enter a nursing career. It requires three regular semesters for full-time day students and four semesters for part-time evening students. Practical nurses must be very compassionate and patient, and be excellent caregivers. LPNs perform a variety of tasks, including monitoring patients and medical equipment, gathering and recording information from patients, administering medications, and patient care.

This program requires full-time (day) enrollment. Night classes are available. Program length is extended for night classes.

Occupation Description
Provide basic nursing care under the direction of registered nurses and supervisors. Licensing required.
