

## **Process Paper Requirements:**

- 1. Do **Not** Title your paper.**
- 2. It can be **no more than 500 words**. If done correctly, you will have to condense your work to meet the word limit.**
- 3. It should be **typed & double-spaced**.**
- 4. It should be **4 paragraphs**.**

**1<sup>st</sup> paragraph- Introduce your topic & explain how you chose your topic.**

**2<sup>nd</sup> paragraph- Explain how you conducted your research. Where did you go? Who did you talk to? Your research may have led you to find a source that was more valuable than the others. You could describe it & tell how it contributed to your research. Maybe you interviewed someone or traveled to another city for resources.**

**3<sup>rd</sup> paragraph- Explain how you selected your category (exhibit, documentary, paper, performance or website) & created your project. You could explain the design of your entry. Certain colors you used may have special meaning. Or there may be a reason you chose a specific visual to be in the center of your project.**

**4<sup>th</sup> paragraph- Explain how your project relates to the NHD theme. This is the overview and big connection to the theme. Be thorough!**

**Note:** Examples of Process Papers can be found on the NHD website.
