Welcome to W.T. Moore Elementary School
2019-2020 Registration Information

Pre-K and VPK students are assigned through the LCS Pre-K office. Please call 922-2099 for more information.

New to Leon County Schools:  Click here to access the online registration process:

If you are registering your student for the first time, the following documents are required:
- a copy of the student's birth certificate
- proof of school entry health examination from your physician's office dated after 8/1/2018
- a Florida 680 certification of immunization from your physician's office or your out of county shot record can be transcribe to a FL 680 form by the Leon County Health Department
- any court documents pertaining to custody (if applicable)

Two proofs of your address such as:
- lease or rental agreement, mortgage payment, property tax record or homestead exemption, AND
- recent utility bill, utility hookup or transfer statement, or driver's license

If your child is currently enrolled in any Leon County School INCLUDING pre-k and charter schools such as Governor’s Charter, School of Arts and Sciences, Tallahassee School of Math and Science, you DO NOT complete a new online registration form because your child is already registered in LCS. Instead, make sure you have a parent portal account attached to your child by following the instructions in the Parent Portal Letter obtained by your child’s current school. Through your Parent Portal you will be able to view your child’s grades, attendance, and test scores, and receive report cards to name a few.

The online registration form is only for:
- Students who have NEVER enrolled in any LCS site (public, charter, pre-k)
- Students who did NOT enroll through the school choice office

*You will have the opportunity to update your child’s registration information through the FOCUS parent portal at the beginning of the school year.

If you are coming from another school, or have moved into our school zone, you must bring two proofs of your address to your current school showing that you’ve moved into the W. T. Moore school zone. They will change it in Focus and scan your two proofs into the system and your student will automatically be transferred to our school.

You can find which school your residence is zoned for by using the School Zone Lookup Tool.

Our 2019-2020 Back-to-School Orientation is Thursday, August 8, 2019, from 1:30 p.m. — 3:00 p.m. You may meet your child’s new teacher. There will also be PTM (Parents and Teachers for Moore) and Extended Day information and displays in the Cafeteria.

Our school supply list is located on our website and will be available at Target and Walmart.

“The Leon County School District does not discriminate against any person on the basis of sex (including transgender status, gender nonconforming, and gender identity), marital status, sexual orientation, race, religion, ethnicity, national origin, age, color, pregnancy, disability, or genetic information.”
