

RULES, RECOGNITIONS, CONSEQUENCES

Hello Families,

Welcome to Sealey Elementary! I can imagine how exciting this time is for you and your family! I am looking forward to a wonderful school year and getting to know your child. It is my goal to provide all students with an educational experience that is challenging, yet fun. In order to do that, I hold high expectations for your child, and I will do all that I can to help your child achieve those expectations.

To have a safe, positive learning environment our class will follow these classroom rules implemented at the beginning of the school year:

1. Follow directions quickly.
2. Keep hands, feet, and objects to yourself.
3. Show respect to others and property.
4. Listen actively.
5. Keep your dear teacher happy!

I will give your child recognition to reinforce appropriate behavior and encourage your child to do his or her best. The recognitions that are given are: move clip to positive character trait, praise, DOJO points, Sealey Market money, stickers, positive notes/phone calls home, treasure box, special opportunities, and Fun Friday participation.

Enforcing consequences provides an opportunity to teach appropriate behavior. To give your child the safest, most orderly and effective learning environment the consequences are: verbal reminder/warning, move clip to "think about my choices", think time before developmental play, parent contact, office (severe disruptions/bodily harm).

Please review these classroom rules, recognitions, and consequences with your child. It is important that each child understands how his or her choices impact everyone's learning. With your support, we can make this year extraordinary!

Thank you,

Mrs. Malphurs
