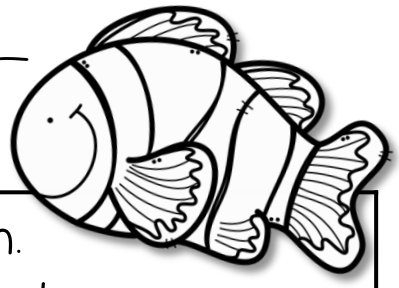
Name: _____ Date: _____

Six Little Fish

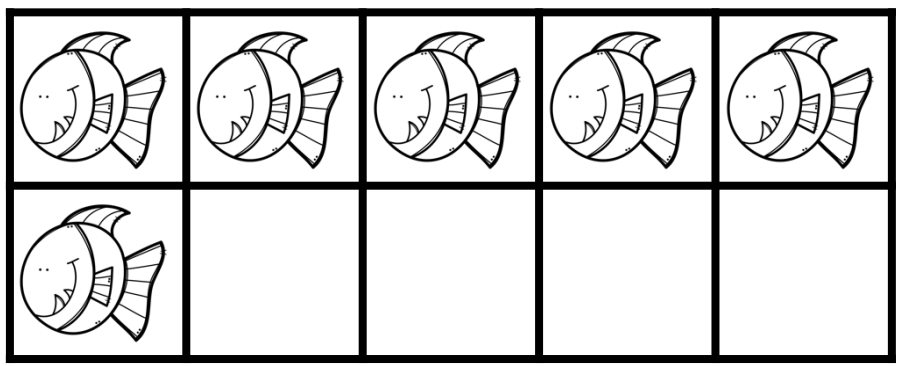


You are going to buy six fish. You can buy orange fish or blue fish.
Show two different ways you could do this. Write an equation for each.

Color equations that equal six orange.

____ = 5 + 1	____ = 4 + 3
3 + 3 = ____	0 + 6 = ____
____ = 6 + 0	____ = 4 + 2

Show 6 on the Fish 10 Frame using two colors.
Write an equation that matches your 10 frame.



6 = _____ + _____
