## ACCESSING SKYWARD NOW USING 'SECURE SIGN IN'.

Signing in to Skyward now uses Microsoft's Secure Authentication protocols. This will provide increased security and better speed of access for many.

Follow these steps:

- Open a browser (ex: Google Chrome)
- Type the district website inside the address bar: https://www.leonschools.net/
- Scroll down until you see the Skyward icon, click on the icon to open Skyward.
- Click on the "Secure Sign In" button to begin the sign-in process.
- Enter LCS credentials: yourusername@leonschools.net

Scroll down until you see Skyward icon, click on icon:

Click on the "Secure Sign In" button to begin the sign-in process:

Enter LCSCredentials*

You may see different options for Signing In when visiting Skyward:

1. *If you have not signed in recently, you may see one of these two screens. Either
   - type in your full '**@leonschools.net**' email address
     OR
   - select your @leonschools.net work account.

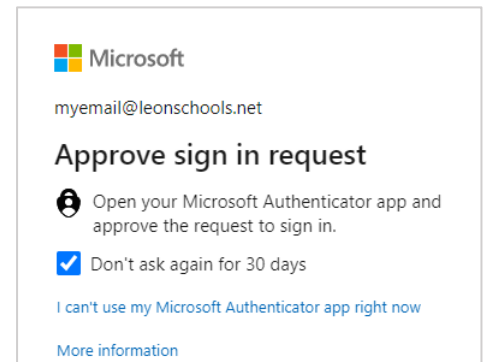

2. Upon entering your credentials, you may be asked to Approve the sign in request. If you are not asked to verify, you may continue. If you are asked to verify, this approval will verify it is you signing in.

   For signing in even faster, try checking the box labeled 'Don't ask again for 30 days' then approve the sign in request.

3. After approving the sign in request, you'll be granted access to Skyward:

**Note:** If you have any issues contact your school/site Tech support.
