

Swift Creek Middle School

7th Grade Registration Form

Select the courses you would like added for the upcoming school year. Students must select the equivalent of six full year courses- if a semester elective is chosen, an additional semester elective must be added. A course is chosen by adding a parent's initial next to that course. After all six courses are chosen, please include the equivalent of two full year course electives by placing an "A" on those parent signature lines. If no alternates are chosen, we will attempt to place students as effectively as possible.

Basic Student Information

Student Name: _____ Current School: _____

Home Address: _____

Parent/ Guardian Name: _____ Phone Number: _____

Middle School Promotion Requirements

Courses/Subjects	Course Requirements
English Language Arts	3 year-long middle school course credits
Mathematics	3 year-long middle school course credits. Middle school students enrolled in high school Algebra I or Geometry must pass the statewide, standardized end-of-course (EOC) exam to qualify for a standard high school diploma.
Science	3 year-long middle school course credits. Middle school students enrolled in Biology I must earn a passing score for the course and take the statewide, standardized Biology I EOC assessment to earn high school credit for the course.
Social Science	3 year-long middle school course credits. Students must successfully complete a civics course during middle school.
Physical Education	1 semester-long course in grades 6, 7, and 8. This requirement may be waived under the following conditions: 1) The student is enrolled in a remedial course. 2) The student's parent requests in writing that the student enroll in another course. 3) The student participates in physical activities outside the school day, which are equal to or in excess of the mandated requirement. No Action necessary for Physical Education waiver
