

# 6<sup>th</sup> Grade Math Mrs. Cutchins Course Syllabus 2024 - 2025

## Welcome to 6<sup>th</sup> grade math!!

I am looking forward to a positive, productive, and fun year in math. This letter explains the organization and course requirements for my class so your student can experience a successful year. It is my goal to open and establish a clear line of communication with each parent so that we can work together in making your child's transition into middle school as smooth as possible and ensure that they have their best year ever!

### Assignments

Assignments/Homework will be given **daily** and are due the following day, unless otherwise noted.

It is the student's responsibility to get missed assignments when absent. All assignments and notes are posted on our class Canvas page daily. Please make an effort to be in attendance and on time every day. If you are absent, please refer to our Canvas page for make-up work and notes you may have missed.

All work is due on time.

Late work accepted for partial credit.

### Assessments

Quizzes and tests will be given throughout each unit. Most quizzes will be announced, but some will not. Quizzes will always be open notes. Tests will not. If tests, quizzes, or other assignments are announced before an absence, students will be expected to take the test or turn in the assignment on the day they return.

Cheating will result in an automatic zero for all parties involved.

### Grading Scale

A: 90 – 100%  
B: 80 – 89%  
C: 70 – 79%  
D: 60 – 69%  
F: 0 – 59%

### Academic Grades

Tests – 50%  
Quizzes – 25%  
Assignments – 25%
