SET-UP AND USE TIPS

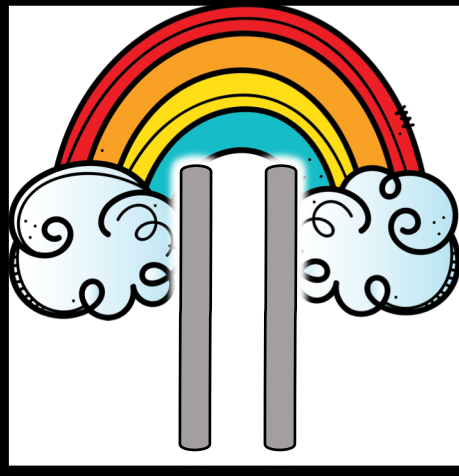

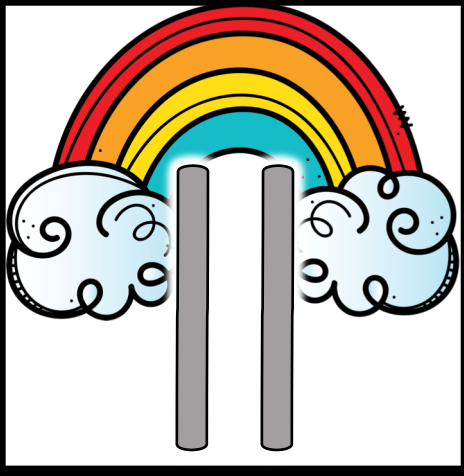

SENSORY BIN SET-UP:

1. Print out and cut card.
2. Laminate cards for durability.
3. Choose a shallow bin to contain fillers and cards.
4. Fill bin with filler (popcorn kernels, vase fillers, beans, rice, etc.).
5. Place the small laminated cards in places where learners can see them in the bin.
6. Hang or place the larger cards around the room for learners to match the smaller cards to.
7. Model how learners will pick a small card and match them to the mats/large card based on the skill they're practicing.

SENSORY BIN USE:

Use this sensory bin to practice recognizing written numbers by matching the small number card to the larger number cards around the room. Learners can also practice writing the numbers on the recording sheet.
