Our Agriculture Program has a new addition, a green house! This is located on the east field, where we will also be establishing a space for more gardening. We are very excited for our students to have this expanded opportunity to learn more about Agriculture and sustainable gardening.

Tell Us What You Really Think!

We are starting up 411 Teen again. This is a weekly local radio show where local high school students discuss issues that are important to them. Click on the form below to sign up:
