A note from Mrs. Campbell:

Wow! We had so much fun celebrating Valentine's day! Thank you for all of the donations and the valentines for the exchange! The kids loved passing out their special gifts for their friends and we had fun making crafts, writing, completing valentine math, science, and reading!

We have been studying Black History Month. This past week, we focused on Maya Angelou (rainbow writing), Jackie Robinson (baseball paper bag puppet), Garret Morgan (stop light craft), and Rosa Parks (bus timeline)!

In addition to Black History Month, we will discuss President's Day next week too!

Be sure to join our class on Remind if you have not already!

Folders: The folders will be sent home daily. The kids have been helping me stuff the folders... Ideally any work that they have done should go in the "leave at home" side on the left! ;)

On Mondays (or Tuesday if no school on Monday), there will be a weekly behavior sheet in the back pocket of the folder. Please look over it, sign and return the following day!

Reading logs: Feel free to fill these out as you are reading with your child. These will be turned in at the end of each 9-week period!
