## **A note from Mrs. Campbell:**

The kindergarten classes will be celebrating the 38<sup>th</sup> day of school in honor of the future class of 2038!! Here are some fun activities that we will participate in on **Friday, October 3rd**.

1. Time Capsule-parents will be asked to send in one small item for their child. All items will be placed in a 2038-time capsule that will be stored in the front office and opened at their 5<sup>th</sup> grade graduation.
2. Parents will be asked to write a letter to their child. These will be stored in large envelopes for each K class and stored along with the time capsule. They will be returned to the child at their 5<sup>th</sup> grade graduation.
3. Teachers will read "Oh, The Places You'll Go".
4. Our math activities will focus on the number 38 for the day.

Parents, we will need your help in order to make this a success! Please send in the following by **Friday, October 3rd**:

1. **One** small item to represent your child/this year. **Please place this item in a small Ziplock bag, labeled with your child's first and last name.**
2. A letter written by you to your future 5<sup>th</sup> grader. **Please place the letter in a letter-sized envelope labeled with your child's first and last name**

**Folders:** The folders will be sent home daily. The kids have been helping me stuff the folders... Ideally any work that they have done should go in the "leave at home" side on the left! ;)

On Mondays (or Tuesday if no school on Monday), there will be a weekly behavior sheet in the back pocket of the folder. Please look over it, sign and return the following day!

**Beanstack:** We will be using these instead of a reading log. You will log books or reading minutes in the app (or in your child's classlink). See information sent in the email!

## **Classroom Wishlist:**

\* Soap refills
