INT, Unit 24, Life Science, We Look Alike!
Lesson 1, Leveled Book, Who Do We Look Like?, Level D

1

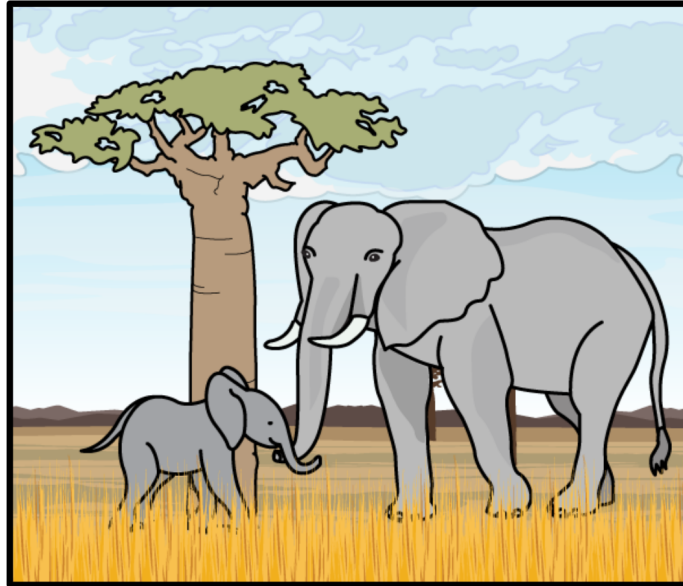

I have skin that is gray and wrinkled.

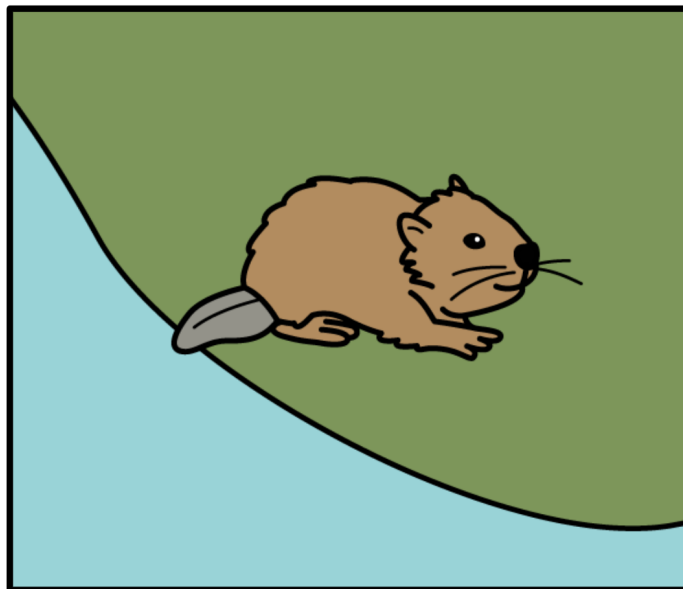

I have big ears.

I have a long trunk.

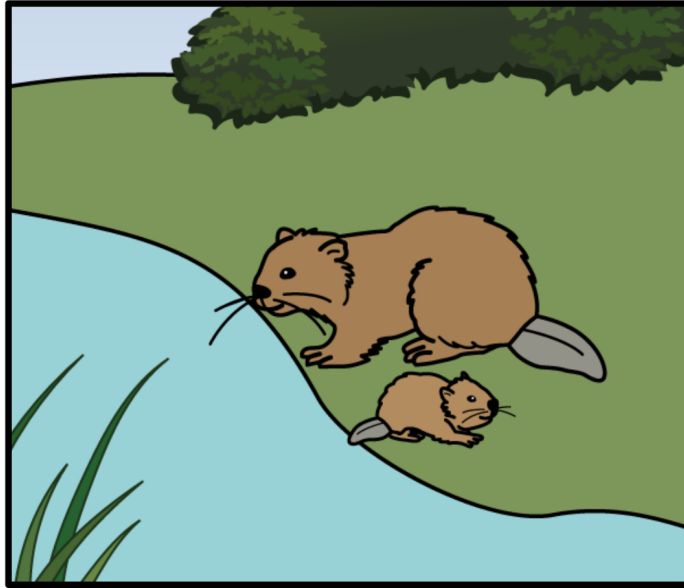

Who do I look like ?

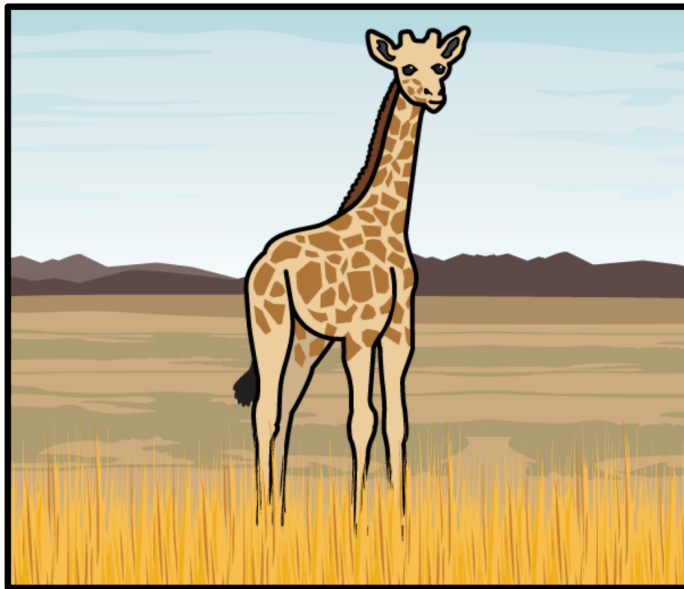

**I look like my mother.
My mother is an elephant.
I am a baby elephant.**

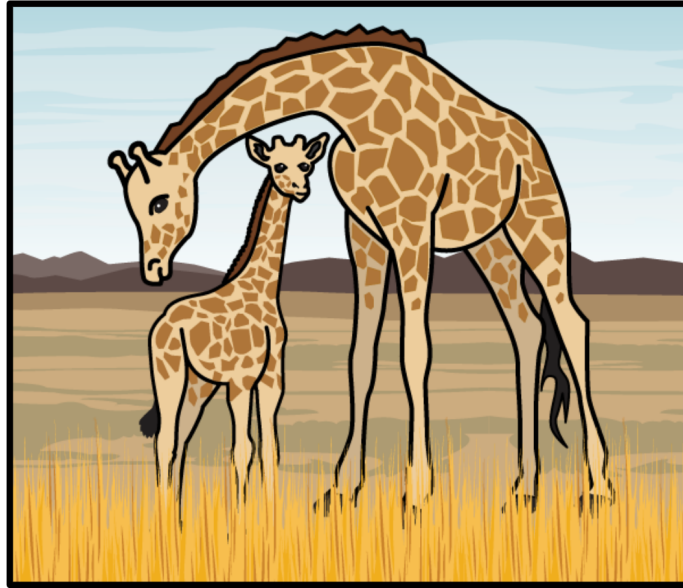

**I have thick fur.
I have big teeth for cutting trees.
I have a wide, flat tail.
Who do I look like ?**

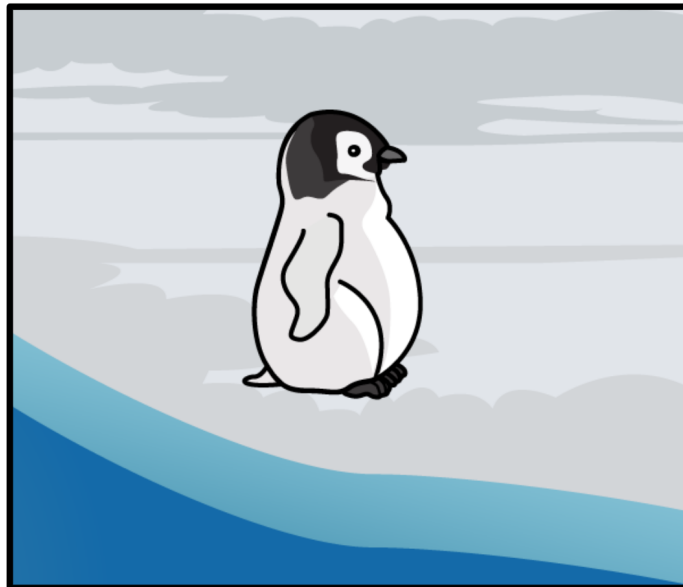

**I look like my father.
My father is a beaver.
I am a baby beaver.**

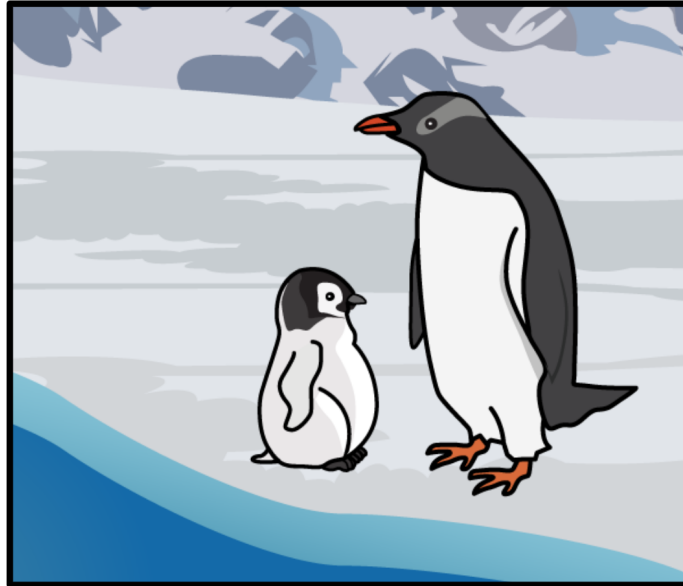

**I have a long neck.
I have long legs.
I have a long tongue that I use to grab leaves.
Who do I look like ?**

**I look like my mother.
My mother is a giraffe.
I am a baby giraffe.**

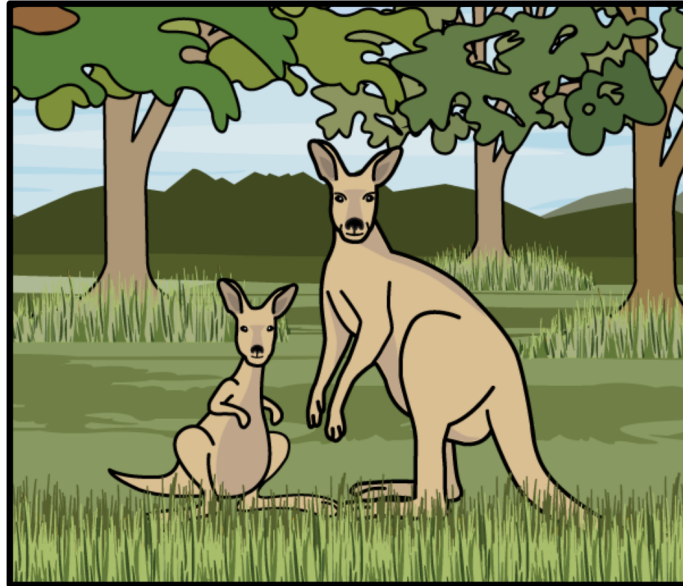

**I have black and white feathers that look like a tux.
I have flippers instead of wings.
I have a beak for catching fish.
Who do I look like ?**

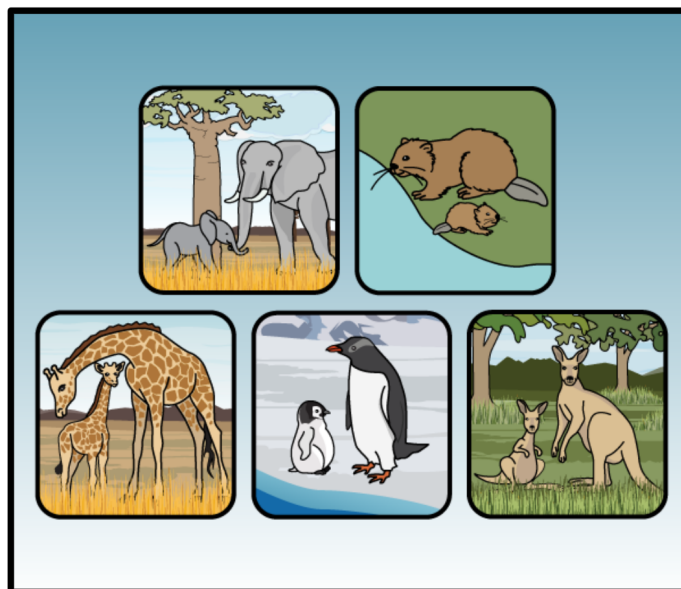

**I look like my father.
My father is a penguin.
I am a baby penguin.**

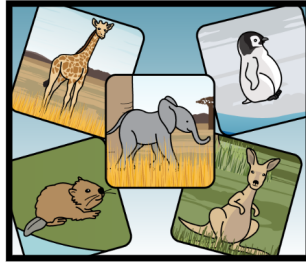

**I have strong back legs for jumping.
I have big back feet and a big tail.
I sleep in a pouch.
Who do I look like ?**

**I look like my mother.
My mother is a kangaroo.
I am a baby kangaroo.**

**We are baby animals.
We look like our parents.**

The End
