04/30/19 Mission San Luis field trip rescheduled  
05/27/19 Memorial Day – NO SCHOOL  
05/28/19 End of the Year AR Rally

## 2<sup>nd</sup> Grade Character Education

Our character trait this week is patience. We show patience when we try and try again. Patience is shown by waiting our turn and not getting upset. Let's all practice having patience.

## This Week's Focus

Dear Parents,

The peanut butter and jelly drive was a huge success. The cafeteria tables were overflowing with containers. THANK YOU so much for helping feed our community.

The last AIMS fluency check is on April 15<sup>th</sup>. The minimum expectation is 95 words accurately read per minute. Students can increase speed at home through knowing sight words and rereading passages. Instantly recognizing words allows a brain to focus more on the meaning of the passage. That's why we practice this skill often!

Your child's permission slip to take the Advanced Math Test came home today and should be in your child's binder. This class will contain around 20 students whom show ability to understand math concepts quickly. The class teaches the SAME curriculum as other Third Grade classes. The only difference is that they go at a more accelerated pace. The deadline to have the slip turned in is May 1<sup>st</sup>.

### Learning Goals

**U4W3 Spelling/ Grammar TEST 4/15**
