**Thurs.**-Math

**Fri.**-Math due, Reading comprehension home **15 minutes of AR reading per night!☺**

## This Week's Focus

Dear Parents,

Happy Friday! School is quickly coming to an end. However, your child will have academics until the very last day. We have started our last unit of Second Grade Math! After our investigation of geometry, we will review taught skills and get ready for Third Grade math. In science, we will investigate the properties of matter. The Wonders reading program continues to the end of school.

**All library books are due by May 22nd because that is the last day of AR. I know we can have 100% of our class make their AR goal again! The Media Center will be closed for inventory.**

Let's have a great week and finish strong!

### Learning Goals
