- Wed.** -Math
- Thurs.** -Math
- Fri.** -Math due, Reading comprehension home
15 minutes of AR reading per night! 😊

This Week's Focus

Dear Parents,

The Silent Auction will be here before you know it! Our class basket's theme is Family Game Night. Please look for Jeanette May's email and think of what your family can contribute (by Feb. 7) to make our basket spectacular. Thank you so much for supporting our school! Here's the link:
<https://www.signupgenius.com/go/70A0944AFAE29A1FB6-silent>

We are so excited to learn about famous Black Americans posters. Please encourage your child to take his/her time and do his/her very best work. We will copy the mini-posters and send them home so your child can practice presenting. All mini-posters are due by February 1st. Children will be assigned a day in February to share their research. We can't wait! Let's have a kind week!

Learning Goals
