Classroom pets up for adoption!

We have wonderful, easy pets up for adoption-our Fiery Belly toad and Tiger Salamander. They come with their aquarium and critter cage (for crickets). Please email me if interested! ☺

This Week's Focus

Dear Parents,

The countdown to summer has started! Each school day in May brings something to celebrate. It has been a wonderful year nurturing your little one. Reading and math skills have strengthened. Friendships have developed along with confidence. They are ready for the new challenges of Third Grade. We will send home a list of resources for your child to keep reading skills and math concepts sharp during summer. We strongly encourage your little one to read each day. Journaling about summer adventures is also a good idea to practice writing.

We will follow our Hawks Rise Expectations until the very last day of school. 1. Have respect. 2. Act Responsibly 3. Work Hard 4. Keep a positive attitude 4. Stay Safe. Please remind your sweet one to do his/her best each and every day. ☺ Let's finish strong! Have a great week!
