

Ready to Celebrate

 Trace and write each numeral from 1 to 100.

1				5					10
	12							19	
21					26				
		33							40
						47			
	52								60
								69	
71				75					
			84						90
91									100

Variations

- Provide a 100s board for the children to use as a reference to complete this activity.
- For more numeral-writing practice, mask out the given numerals on a copy of page 15 to make a blank original. Then reprogram it with desired numerals from 1 to 100.
