

GROUP LONG TERM DISABILITY INSURANCE

Protect your income while coping with a long-lasting disability.

Long Term Disability insurance can help protect your income if you can't work due to a qualifying disability. It can also help you get back to work when you're ready. Whether you're out for a few months or years, this benefit can help you protect your income — and those who depend on it.

Long Term Disability insurance may help protect your income if you can't work and don't get your regular paycheck.

Long Term Disability insurance can help pay the bills if you become disabled and can't work for an extended period. That could be a few months or several years. This coverage may help replace part of your paycheck, which can help protect your lifestyle and savings.

You can get help returning to work when you're ready. This Long Term Disability coverage includes incentives and assistance to help you get back to work. The Standard may also help pay the costs of modifying your workplace to accommodate your needs.

One in four 20-year-olds will become disabled before reaching age 67. And one in 10 Americans live with severe disability.* Long-term disabilities can be caused by accidents but also by illnesses such as cancer and heart disease. Long Term Disability Insurance

What Your Benefit Provides

This is the amount per month you would receive if you experience a qualifying disability. Eligible earnings are your monthly insured predisability earnings, as defined by the group policy. Please see the Important Details section for a list of deductible income sources.

60% of your eligible earnings, up to a maximum benefit of \$10,000 per month.

Plan minimum: \$100 per month or 10 percent of the LTD benefit before reduction by deductible income, whichever is greater.

Plan maximum: \$6,000 per month.

Benefit Waiting Period

If you experience a qualifying disability, your benefit waiting period is the length of time you must be continuously disabled before you become eligible to receive your monthly benefit.

90 days

How Long Your Benefits Last

This is the maximum length of time you could be eligible to receive disability benefits for a continuous disability.

Until your Social Security Normal Retirement Age (SSNRA) or three years 6 months, whichever is longer.

Depending on your age at the time of disability, your benefits may be subject to a different schedule. Refer to the Maximum Benefit Period table in the Important Details section for specifics.

See the Important Details section for more information, including requirements, limitations, exclusions and definitions.

Additional Features

24 Hour Coverage

24-hour LTD plans provide coverage for disabilities occurring on or off the job.

Help With Returning To Work

Rehabilitation Plan - This plan provides incentives to help you get back to work. For instance, you'll get help paying for some of the expenses associated with participating in an approved rehabilitation plan.

Reasonable Accommodation Expense Benefit - If a worksite modification would enable you to return to work, the coverage can help your employer make approved modifications.

Rehabilitation Incentive Benefit - You may also be eligible to receive an additional benefit of 10 percent of your predisability earnings for participating in an approved rehabilitation plan, subject to the plan maximum.

Survivors Benefit

If you die while receiving benefits, your survivor may be eligible to receive a one-time additional payment.

Employee Assistance Program

You'll have access to an Employee Assistance Program. This is a valuable, confidential counseling resource if you're experiencing personal or work-related issues. This service is provided through an arrangement with a service provider who isn't affiliated with The Standard.

How Much Your Coverage Costs

Because this insurance is offered through Leon County School Board, you'll have access to competitive group rates that may be more affordable than those available through individual insurance. You'll also have the convenience of having your premium deducted directly from your paycheck.

How much your premium costs depends on a number of factors, such as your age and benefit amount. Note: Your tenthly rate is 0.49 percent of your insured monthly earnings.

Use this formula to estimate your tenthly premium payment:

$$\frac{\text{Enter your monthly earnings (cannot be more than \$10,000)}}{\text{Rate percent of insured earnings}} \times 0.49 \div 100 = \frac{\text{This amount is an estimate of how much you'd pay each month}}{\text{month}}$$

As you consider Long Term Disability insurance, evaluate what makes sense for you.

Getting by without a paycheck isn't easy, especially for an extended period of time. Make sure you have enough financial protection to help you with housing costs, utilities and other bills.

To estimate your insurance needs, you'll need to consider your unique circumstances. Use our online calculator at [standard.com/disability/needs](https://www.standard.com/disability/needs).
