

## GROUP ADDITIONAL LIFE INSURANCE

We can help provide for your family when you can't.

Group Additional Life insurance can help protect your family's finances if something happens to you. This coverage can help provide financial support and stability to your family if you pass away.

**Additional Life insurance can help make things easier for the people you care about.**

**Life insurance** helps protect the people who depend on your income by paying them an amount of money specified in the policy if you die.

Life insurance is an easy, responsible way to help your loved ones during a difficult time — and into the future.

### **What's at stake.**

A death might leave your family facing expenses they couldn't pay without your income. That could include extra costs for medical care or a funeral.

You're covered under Basic Life insurance if you take no action, provided you meet the eligibility requirements. But if Basic Life insurance doesn't meet your needs, you can apply for additional coverage. **Plan now to help your family cover future expenses like:**

**Tuition**

**Child Care**

**Housing Costs**

**Daily Living Expenses**

# How Much Your Coverage Costs

Your Basic Life insurance is paid for by Leon County School Board. If you choose to purchase Additional Life coverage, you'll have access to competitive group rates, which may be more affordable than those available through individual insurance. You'll also have the convenience of having your premium deducted directly from your paycheck.

How much your premium costs depends on a number of factors, such as your age and the benefit amount.

Use this formula to estimate your tenthly premium payment:

$$\frac{\text{Enter the amount of coverage you are requesting (see benefit amounts on page 2).}}{\div 1000} = \text{Enter your rate from the rate table below.} \times = \text{This amount is an estimate of how much you would pay tenthly.}$$

If you buy coverage for your spouse, your tenthly rate is shown in the following table. Use the same formula to calculate the premium that you used for yourself, but use your age and your spouse's rate.

If you buy Dependents Life for your child(ren), your tenthly rate is \$0.24 per \$1,000, no matter how many children you're covering.

| Age<br>(as of last October 1) | Your Rate<br>(Per \$1,000<br>of Total Coverage) | Your Spouse's Rate<br>(Per \$1,000 of<br>Total Coverage) |
