A Note From Ms. Green

Thank you for another great week of Digital Academy! **Please make sure that your child is caught up on all missing assignments by Friday, October 16th. Previous late work will not be accepted after this date.**

Every week, each student is expected to complete 45 minutes of iReady Reading/Lexia and 45 minutes of iReady Math. This is the minimum amount of time expected, but your child is welcome to spend more time in these programs if desired. The lessons assigned to each student are based on their individual needs. There is time in our class schedule for students to complete this on Mondays and Fridays, but they can practice in these programs on other days if they complete their assignments early. iReady and Lexia can be accessed through ClassLink. As an incentive for students to work towards their weekly goals in these programs, we will have a special drive-thru parade on October 30th from 11:00 a.m.-12:00 p.m. Students will receive goody bags and prizes to celebrate their accomplishments for the first nine weeks. More information on this special event will be coming soon. Thank you for your support. Have a great week!
