## A Note From Ms. Green

Thank you for another great week of Digital Academy! I will be out this Wednesday attending a training, so we will not have small groups that day. Our Morning Meeting button will be linked to Mrs. Majszak's Zoom meeting so that attendance can be taken. I will also send out the link on Tuesday via email. If your child misses the meeting for any reason, please contact the front office.

We have two weeks left in the first nine weeks grading period, so be sure your child is keeping up with daily assignments. Continue to have your child work in iReady (45 minutes) and Lexia (individual goal) each week. Remember as an incentive for students to work towards their weekly goals in these programs, we will have a special drive-thru parade on October 30<sup>th</sup> from 11:00 am-12:00 pm. Be sure to mark your calendars. Students will receive goody bags and prizes to celebrate their accomplishments for the first nine weeks. We are busy making plans for the second nine weeks with the return of some students to campus and will have more information for you soon. If you have not signed up for a conference, please use the link to sign up for one this week. Thank you for your support. Have a great week!
