### Message from Administration

Welcome to April. This month we are gearing up the Annual Peanut Butter and Jelly drive. This year it is all Virtual! Please check on the Facebook pages for more information and look to donate money to support this cause. As we near FSA testing, please be sure to have your child get a great night's sleep and a good breakfast before the test. The tested grade levels will be 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> grades. Please make sure that your student is on time for school so they will not have to do any make up tests. Thank you for your continued support. Parents can register students online for the 2021-2022 school year. If you have a kindergarten student that needs to register, please visit the LCS website for registration information.

### Pre-K

We hope everyone enjoyed their Spring Break! Now it is time to work hard and finish the year. We continue to work on letters, sounds, sight words, and number skills. Keep working on these at home too. Our new unit is Reduce, Reuse, and Recycle. We will learn about helping our environment by reusing and recycling. We will have a Spring Fun Day on April 1. We will hunt eggs and play games. We will be scheduling end of the year IEP meetings-look for notes coming home in folders.

### Kindergarten

We are going into the last 9 weeks. This is not the time to slack off. We must continue to push are students so they can be prepared for 1st grade. Please continue to practice the weekly reading book with your child. This is a weekly test grade and extra practice for them to learn their sight words. Remember that homework is due on Fridays and all the work must be completed to get credit.

### 1<sup>st</sup> Grade

Happy April! We hope you all had a restful spring break, and are ready begin the new nine weeks soon. We continue to work hard in first grade, so we can be prepared for second grade. Please remember to read each night for 20 minutes with your child, so we can continue their reading progress! If you would like to help replenish our supply of hand sanitizer and Lysol wipes, we would be very thankful! Our number one priority is keeping everything clean and safe for our students. Every Wednesday is popcorn day. Please send in a dollar by each Tuesday, so the whole class can enjoy this delicious treat!

### 2<sup>nd</sup> Grade

Hello 2nd Grade Parents!

Just a couple reminders for the school year:

--Be sure to schedule phone conferences with your child's teacher to check on his/her progress for the 3rd 9 weeks.

-- Keep track of your child's grades in FOCUS.

--Continue to read every day!

-- Be sure to send your child to school with appropriate clothing as the weather is changing (No flip-flops).

Let's soar 2nd grade!
