

Take Latin:

A great basis for your future:

- Law Careers
- Science and Medical Careers
- Communication
- History
- The Arts

All have a basis in Classical language and thought! *

A way to get ahead:

- 2016 SAT scores by language studied
- Latin- **546** (reading) **532**(math) **521**(writing)
- French- 503 (reading) 484 (math) 481(writing)
- Spanish- 497 (reading) 491 (math) 478(writing)

<https://reports.collegeboard.org/pdf/fl16030301.pdf>
(page 6)

- Latin students outscored students of all other languages in 2016 on the SAT, the last year CollegeBoard kept such records

An elective that stands out:

- In Florida, roughly 76% of students take Spanish, 16% take French, but only 4% take LATIN!

An elective for your High School Career:

- Latin I
- Latin II
- Latin II
- AP Latin
