

# ★ 7<sup>TH</sup> GRADE MATH SYLLABUS - 2019-2020 ★

## Course Topics

- Number System & Operations with Rational Numbers
- Ratios & Rate of Change
- Proportional Relationships & Percent
- Expressions, Equations, & Inequalities
- Geometric Scales, Drawings, & Angle Relationships
- Circumference, Surface Area & Volume
- Collecting & Analyzing Data with Statistical Measures

## ACADEMIC GRADES

### GRADING:

Tests: 50%  
Quizzes: 25%  
Assignments: 25%

### Grading Scale:

A 90-100  
B 80-89  
C 70-79  
D 60-69  
F 0-59

Assignments will be given in class daily and are due for a grade, the following day. **Late work will not be accepted**, except in the case of an absence. **Absent work** is the student's responsibility. Assignments are posted during class, on my teacher website, as well as on the Remind text list. Students must bring their textbook pages to class daily – if they are lost, it is the student's responsibility to reprint them from the website.

There will be at least 3 tests each grading period, and quizzes will be given at least once a week. There will be no retakes on quizzes. When permitted, the highest grade allowed on a test retake will be a 70%. Cheating on any test, quiz, or assignment will result in a zero for all parties involved.

## CLASS SUPPLIES

- 3-ring binder
- composition notebook
- TI-30Xa Calculator
- pencils / colored pens

## WISH LIST SUPPLIES

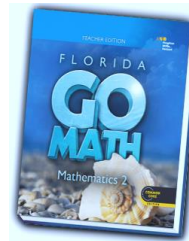

- tissues
- hand sanitizer
- Clorox wipes
- paper towels
- graph / notebook paper
- pencils
- Expo markers
- paper towels

## Contact – Ms. Shrum

Email: [shrumd@leonschools.net](mailto:shrumd@leonschools.net)

Website: [www.leonschools.net/shrumd](http://www.leonschools.net/shrumd)

Textbook: access through Classlink

Remind: text @msshrum to 81010

Extra help available by appointment on Thursday mornings – see me for a pass!

## Learning Expectations

Math is a subject that is learned through practice; therefore, daily assignments are required and students are expected to attempt every problem. In order to evaluate the student's level of understanding, and correct errors, all steps must be shown, including mental calculations.

Students are responsible for seeking extra help as needed.

## Classwork Procedures

- Use pencil!
- Write your full name, period, date, and assignment number in the top right corner of the paper.
- Show all work neatly and circle the answer!
