

## ACCESSING SKYWARD WILL BE CHANGING TO 'SECURE SIGN IN'.

You may see a new option for Signing In when visiting Skyward:

1. Press the 'Secure Sign In' button to begin the sign in process.

Signing In to Skyward now uses Microsoft's Secure Authentication protocols. This will provide increased security and better speed of access for many.

2. If you have not signed in recently, you may see one of these two screens. Either type in your full '@leonschools.net' email address OR select your @leonschools.net work account.

3. Upon entering your credentials, you may be asked to Approve the sign in request. If you are not asked to verify, you may continue. If you are asked to verify, this approval will verify it is you signing in.

For signing in even faster, try checking the box labeled 'Don't ask again for 30 days' then approve the sign in request.

4. After approving the sign in request, you'll be granted access to Skyward:
