Fab 5

It is highly recommended through Leon County School District that we try our best to promote literacy school-wide during the school year. By using the **FAB 5 (Phonemic Awareness, Phonics, Fluency, Comprehension, and Vocabulary)** teachers can address the areas of struggle for our students in reading and writing.

Below is a website that offers more information on reading and writing literacy. There are also a multitude of resources on this website for teachers and parents that help with assisting students in this area.

UPCOMING!

***Prepping for FSA, ACT, SAT, ASVAB, or another assessment? Considering a Vocational Career?**

Come to the Media Center and inquire about ways to prep for any big assessment. Cougar College and Career Corner is open for student use. Please stop by the circulation desk to discuss protocol for keeping all materials safe and sanitized for additional student use.

***Cougars on the Prowl**

Cougars on the Prowl Display and Sports Highlight section is under construction. This display will include inspirational quotes and

Current student highlights in Godby sports.

***Getting to the Heart of Black History**

To recognize Black History Month, we have decided to host an event titled “*Getting to the Heart of Black History*”. This event is an invitation only event for our students who practice upstanding citizenship daily around Godby’s campus. This event will test our student’s knowledge of black history in a very engaging and unique way. Students will also have the opportunity to win some cool prizes. So, feel free to stop by and check out the setup for this event on February 16th, 17th, and 18th. You won’t be disappointed.

***Book Bash**

In April, the Media Center will be hosting our very first book bash. This event will give our students the opportunity to return overdue or lost books to the Media Center. Once a student has an account that is clear of any missing books, they will have the chance to win prizes. So teachers, start encouraging students to locate and return their overdue books. It’s never too late to get a great book back!
