

Mrs. Welke's Homeroom Update
Planning Time: 10:10-10:55
Class Lunchtime: 1:15-1:40

9/4/20
Phone 488-0923
Email: welkec@leonschools.net

Our class is off to a super start. The students are enthusiastic, friendly, and ready to learn! They have worked hard learning our routines and procedures, and have enjoyed the various "Getting to Know You" activities we have worked on this week. Ask your child about their first week of school.

I know many of us were worried about how everyone would handle wearing face masks and having to maintain a safe distance, but it has been amazing to see how well we have adapted to our situation. We all enjoy our mask breaks, and being able to work with a partner is just as fun as it always has been. I know we hope we will be able to get back to our old normal soon, but this is going to be a terrific year!

Wish List

Thanks to everyone who sent in Wish List items! I was overwhelmed by the generous response. Our class appreciates all of your support.

9/18/19: Activity Fee Due - 1st Semester \$35.00

The Activity Fee covers a lot of cool experiences and items your child uses in class. Your child has already received their dry erase clipboards and other supplies, and our Scholastic News will be arriving soon. A sheet went home explaining what the third-grade activity fee covers.

Homework

Third graders will typically have homework every night, and we will check the homework daily. I have several students who are forgetting that they have homework. This is understandable since we were out of school for so long. The homework for the week is on the Weekly Update and should be located in the homework side of their Owl Folder. Do help your child get into the homework routine, Please ask your child to show you their completed homework. Thank you!

Getting into Classlink from home

Please make sure you are using your child's:

Username: StudentNumber@edu.leonschools.net (Example: 171xxxxxxx@edu.leonschools.net)

Password: Your child's Lunch pin number

There is an index card with login information stapled to the Class Dojo and Prodigy sheets.

A.R. Update

The students will be taking the STAR beginning of the year reading and math assessments next week. Please make sure your child reads for at least 20 minutes every night. THANKS!

Weekly Check

The third-grade teachers have high expectations for behavior and work habits. The students are learning our procedures and routines quickly. Next Friday, there will be a **Weekly Check** in your child's Friday Folder. Please review your child's Online Grades, Class Dojo, and A.R. progress each week, then sign/return the chart in the Friday folder the following Monday. Please feel free to write a comment on the sheet or contact me if you have any questions or concerns.

Snack and our VERY LATE Lunch (1:15)

Please make sure your child eats a good breakfast. We will have a working snack around 11:00, right after Special Area. Please send in something healthy and easy to eat. This is needed to help fuel your child through the morning until our very late lunch at 1:15.
