Good afternoon,

What a week! We were busy bees! We wrapped up the Fraction chapter, reviewed reading text structures using a variety of activities (compare and contrast, cause and effect, description and order/sequence), completed the state's FSA practice assessment, and worked on our plant unit.

Field Day

The weather was absolutely beautiful for Field Day. The students had so much fun, and I am sure they slept well last night. My son, Ryan, stopped by to meet the class and brought the ice cream sandwiches. I always forget how delicious they taste!

FSA

Thank you to the families for signing up and sending in FSA snacks. PLEASE make sure you send them to school Monday, or we will not be able to use them. I will be setting everything out at 8:15 and cleaning it up by 8:25. I will be passing out the books promptly at 8:31.
