Good afternoon,

Wow, what a week! This week the students completed the FAST Reading and Math Progress Monitoring #1. We also continued working on place value concepts, story elements, finding text evidence to support our answers, nouns, spelling patterns, simple sentences, and properties of matter concepts. The students continue to work hard and are very supportive to their peers. We have a terrific class!

Your child's first nine week's A.R. ZPD and point goal is on a sticker in the inside cover of their planner.

Please regularly check your child's A.R. status and check his/her percentage.

Word Study Parent Information and List: Word Study Quiz #3 - 9/1/23

Third-grade will be using the same word study pattern and list for several weeks. I passed out a copy of the word list to the students, but I am also attaching the Parent Information sheet and the Word Study List that we sent home in last week's Friday Folder in case it has been misplaced.

Wish List: Thanks to Dillon's family for sending in lots of sticky notes and green, pink, and yellow pastel paper!

Amazon Classroom Wishlist - We have several activities and labs that will make good use of trays, marbles, Peat Pots, Velcro dots, etc.!
